To await arrival home from holiday.

Dear Sir Adrian

Thank you so much for your kind letter of the 15 th March.

I trust that you have had a good holiday.

I am working on plans to help implement your proposals so that the many lies and deceptions presently practised by management and directors of listed companies can be curtailed to enable a MORE level playing field for investors to be in existence.

I am also determined like you that we will not lose the savings cash [sic] from energy saving so that we remain uncompetitive in exports due to higher than needed labour costs.

Will write again soon.

Yours sincerely

Signed George Beale
